For information regarding the SSA Plan update, please contact:
Chris Straight, Senior Planner, WCWRPC
chris@wccwrpc.org 715-836-2918 ext. 16

¹ NR 121.05 requires that the Sewer Service Area (SSA) Plan delineate the planning (study) area boundary for which the plan is being prepared. The planning area is the area of study for data collection and mapping for the SSA Plan update; it is not the SSA boundary, which will be located within the larger planning area.
