Chippewa-Eau Claire MPO Urban Work Program

INTRODUCTION

This Planning Work Program, pursuant to 23 CFR 450 Subpart C, is intended to provide direction and substance for pursuing a unified urban transportation planning work effort in the Eau Claire Urbanized Area during calendar year 2024. In addition, Federal statute requires that metropolitan planning organizations (MPOs) consider the 10 planning factors listed below when developing transportation plans and programs, pursuant to 23 CFR 450.306. The Chippewa-Eau Claire MPO will consider these 10 factors for MPO planning in the development of the 2024 work program elements.

1. Support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency.
2. Increase the safety of the transportation system for motorized and non-motorized users.
3. Increase the security of the transportation system for motorized and non-motorized users.
4. Increase the accessibility and mobility of people and for freight.
5. Protect and enhance the environment, promote energy conservation, improve quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns.
6. Enhance the integration and connectivity of the transportation system, across and between modes, for people and freight.
7. Promote efficient system management and operation.
8. Emphasize the preservation of the existing transportation system.
9. Improve the resiliency and reliability of the transportation system and reduce or mitigate stormwater impacts of surface transportation; and
10. Enhance travel and tourism.

This work program is developed under the Cooperative Agreement for Continuing Transportation Planning for the Eau Claire, Wisconsin Metropolitan Area, between WisDOT, the MPO, and the cities of Eau Claire and Chippewa Falls as the urban transit operators. The agreement was updated and signed in 2017, laying out roles and responsibilities of the participating agencies. This document can be found here: www.wcwrpc.org/Chippewa-Eau-Claire-MPO.html

The 2024 program has an emphasis on short range planning. A particular emphasis is being placed on planning for a system that will meet the needs of a changing multi-modal transportation environment. With relatively few highway capacity needs in the next 20 years, attention has turned to the increasing demand for alternative transportation modes and safety for all modes. Still addressed under long range planning, is the continued tracking of performance measures allowing the MPO to examine the effects of the recommendations over time. In addition to the tracking of the ongoing set of performance measures, it is the intention of the Chippewa-Eau Claire MPO to continue to coordinate and affirm statewide performance measures and targets adopted by WisDOT.

Continued implementation of the Long Range Transportation Plan has the MPO assisting some of the urban area municipalities and WisDOT. Some urbanized area communities will be involved in updates to their comprehensive plans. When requested, the MPO will assist in the development of those transportation elements. Several project requests have been discussed with municipalities. Those are represented under the appropri-

Chippewa-Eau Claire MPO

Urban Work Program

ate work element section. Other technical assistance requests arise over the course of the year and are addressed on a case by case basis depending upon staff availability.

The Work Program highlights the major areas of work to be undertaken for urban transportation planning in the Chippewa-Eau Claire urbanized area. It is not intended to duplicate background information already available in other planning documents (i.e., Transportation Improvement Program). Rather, it highlights the major program activities which will be worked on by the staff of WCWRPC in cooperation with Federal, State, and local municipal representatives. Per WisDOT requirements, the MPO will continue to work on and look for opportunities to work on FHWA 2021 Planning Emphasis Areas: Tackling the Climate Crisis - Transition to a Clean Energy, Resilient Future, Equity and Justice40 in Transportation Planning, Complete Streets, Public Involvement, Strategic Highway Network/U.S. Department of Defense Coordination, Federal Land Management Agency Coordination, Planning and Environmental Linkages, and Data in Transportation Planning.

WORK PROGRAM ORGANIZATION

The proposed work program identifies four principal categories where transportation planning efforts will be directed during calendar year 2024. These include: Short Range Planning; Long Range Planning; Transportation Improvement Program, and Program Administration and Support. As part of the overall work program, staff will provide support to the MPO to accomplish Federal planning requirements. This will ensure that the Urbanized Area retains its eligibility for capital, operating, and planning funds. In addition, WCWRPC will serve as the fiscal agent for the MPO. The MPO staff and consultants will perform administrative services and assist in performing transportation planning functions for the MPO.

PUBLIC PARTICIPATION PROCESS

A goal of Federal planning requirements is to provide public awareness of and involvement in the transportation planning and programming process. The MPO continues to maintain an extensive public participation process as an integral component of its planning and programming activities. The MPO has adopted a Public Involvement Plan and reviews it annually for necessary revisions and updating. The following actions summarize the MPO's efforts in addressing the public participation process.

- The MPO Policy Council is made up of elected officials from member communities and the two counties. The Council is responsible for final approvals of MPO technical and policy documents.
- The MPO maintains a Technical Advisory Committee (TAC) comprised of Federal, State, and local representatives. The TAC provides technical input to MPO staff and advises the MPO Council on technical matters and documents.
- A mailing list of local private transit operators is maintained and used for direct notification and solicitation of input for the development of TIPs, work programs, and special studies requiring their expertise. Special study committees can be formed, when needed, to address specific topics such as bicycle facilities, land use, and environmental resources. They may be comprised of citizen and TAC members, as well as persons from other necessary areas of expertise.
- All meeting notices are sent to the local media for publication or broadcast.
- Public information meetings and public hearings are held in conjunction with planning studies in progress, or when requested.
- Public notices are employed to inform the general public of the availability of all draft and final TIPs, work

Chippewa-Eau Claire MPO Urban Work Program

programs, and transportation plans for review and comment, as well as any revisions to the public involvement plan. Public notices also offer the opportunity to request a public hearing prior to final action by the MPO Policy Council. Public notices are also posted on the WCWRPC website (www.wcwrpc.org) along with specific information on TIP amendments and review of draft plans. Public notices include notations in Hmong and Spanish, stating a contact number for further information.

- The MPO will consult with State and local agencies responsible for land use management, natural resources, environmental protection, conservation, and historic preservation in the development of the LRTP. The consultation will offer a comparison of the transportation plans to plans and inventories under these agencies' jurisdictions.
- The MPO will continue to rely on the Chippewa Falls and Eau Claire Transit Commissions and transit managers as the initial point of contact for gathering the public input of transit users.
- The MPO website (www.wcwrpc.org) is home for public information and contact purposes. Also included at the website are the Title VI policy statement and a link to the Title VI Plan.

The Public Involvement Plan was reviewed and updated by the MPO in 2023, resulting in minor changes to enhance and clarify the public involvement opportunities in the urban transportation planning and improvement programming process. In addition to these specific actions by the MPO, all TIP projects submitted by local municipalities, as well as MPO work program activities submitted for local municipal review, are subject to the public participation process mandated through the open meeting laws and legal notices required for all formal action by local units of government. The Public Involvement Plan, including the Title VI Plan, can be found at: www.wcwrpc.org/chippewa-eau-claire-mpo.

Chippewa-Eau Claire MPO

Urban Work Program

ELEMENT 100 – Short-Range Transportation Planning

Objective:

To incorporate transportation system management strategies into the urban transportation planning process to help preserve and maximize the efficiency and enhance the safety of the existing transportation system.

2023 Activities:

Short range actions to continue good vehicle flow and increase the safety and efficiency of the urban transportation system have been an integral component of the transportation planning process. Recent planning efforts identified and recommended short range actions to improve transportation facilities for pedestrians, bicyclists, transit riders, and vehicular traffic. Short range planning activities that were undertaken in 2023 included:

- Provided technical and advocacy assistance to West Central Wisconsin Rail Coalition and Chippewa/St. Croix Rail Coalition efforts to promote passenger rail service in Eau Claire and West Central Wisconsin through the development of a public-private partnership, including the engagement of local business and higher education interests on an organizing council. Continued working with a passenger rail development, finance, and management company, to help facilitate passenger rail from the MPA to the Twin Cities. Helped write a Federal Railroad Administration grant application for a detailed study of the Eau Claire to Twin Cities corridor for passenger rail.
- Represented the MPO on the City of Eau Claire Healthy Communities Chronic Disease Prevention Action Team.
- Worked with the regional Safe Routes to School program in the Chippewa Valley, including the cities of Altoona, Eau Claire, and Chippewa Falls.
- Worked on the City of Chippewa Falls Wayfinding project.
- Presented the MPO Traffic Safety Report.
- Worked with Center for Independent Living of Western Wisconsin (CILWW) in their coordination efforts in the region and support them in their grant applications for operation of their volunteer driver and voucher programs in the larger west central region.
- Completed the Eau Claire County Crash Report.
- Completed the City of Altoona Bicycle and Pedestrian and Safe Routes to Parks Plan.
- Held discussions with WisDOT and State Patrol on Zero in Wisconsin programs and projects.
- Attended Chippewa County and Eau Claire County Traffic Highway Commission meetings.
- Continued outreach to communities regarding the BIL funding.
- Worked with City of Eau Claire, Eau Claire County, Eau Claire Area School District, and Town of Seymour on a WisDOT TAP grant application for McKinley Road.
- Worked and facilitated the Chippewa Valley Bike Route project.
- Facilitated scoring and ranking of BIL projects in the MPA.

Relationship to Other Activities:

Short range planning activities are a primary means of identifying transportation system preservation actions to help implement the Long Range Transportation Plan. Many of the system preservation actions may also result in the identification of projects or service costs that are eligible for federal transportation funding and, therefore, may be incorporated into the TIP. The on-going data collection and processing of land use and socio-economic information also serves as a foundation for all transportation-related planning activities, includ-

Chippewa-Eau Claire MPO

Urban Work Program

ing both highway and transit, and in the analysis of issues related to environmental justice concerns. For those projects that are appropriate to the programs' intentions, the concepts included in State plans will be applied, with coordination across political boundaries, and by identifying and proposing the closure of gaps between people and essential services, respectively.

2024 Activities:

Short range planning activities for 2024 will include:

- Implementation of the Long-Range Transportation Plan Update for the Chippewa-Eau Claire Metropolitan Planning Area 2020-2045.
- Technical assistance to transit providers or municipalities, as requested, relating to Safe Routes to School planning, parking studies, route analysis, etc.
- Provide assistance, as needed, in ongoing efforts to re-establish passenger rail service for the urbanized area. Current efforts in this area include work with the West Central Wisconsin Rail Coalition, Chippewa/St. Croix Rail Commission, and other related planning agencies toward establishing a public-private partnership to accomplish this goal.
- Continue to provide assistance and data to entities in the implementation of Safe Routes to School (SRTS) plans, as needed.
- Participate at Eau Claire County and Chippewa County specialized transportation coordinating committee meetings as needed.
- Participate in the Eau Claire Health Alliance Chronic Disease Prevention Action Team.
- Assist on WisDOT Grant applications, when needed.
- Assist with Coordinated Public Transit Human Service Transportation Plans, updates and amendments, when needed.
- Technical assistance, as needed, in the effort to regain the authority to establish an RTA.
- Capital Improvement Plan Story Maps.
- Noise Pollution Study.
- Facilitate exploratory group meetings for expanded transit in the urban area.
- Vegetation Canopy Coverage Study.
- Develop regional Vision Zero plan.
- Intermodal freight planning in the MPO.
- Staff will be available to provide technical assistance as requested by municipalities or WisDOT on an array of topics and studies. The timing of this type of technical assistance is mainly up to the municipality request, as well as the availability of MPO staff. Some projects were suggested by TAC members and WisDOT-NW Region staff, or otherwise suggested during the development of this work program. The list below will be addressed as they are requested throughout the year, or in subsequent years:
 - Technical assistance to municipalities for corridor preservation, official mapping, and access management planning.
 - Work with WisDOT on Wisconsin Rail Plan, Wisconsin State Freight Plan, Active Transportation Plan.
 - Assistance to the City of Eau Claire on a speed and traffic turning movement count data collection.
 - Support for Eau Claire Transit, specifically a passenger survey.
 - Continue work on the City of Chippewa Falls Wayfinding Plan.
 - Attend the Chippewa County and Eau Claire County traffic safety commission meetings.
 - Work with local entities and the State on electrical vehicle charging projects.

Chippewa-Eau Claire MPO Urban Work Program

- Assistance to Eau Claire County and Dunn County on Safe Streets and Roads for All (SS4A).
- Study of the potential for an overpass of I-94, west of the USH 53 interchange, to relieve traffic at USH 53/ Golf Road interchange and provide a safe bike/pedestrian route across I-94. In addition, study a potential overpass location of I-94 between the I-94/STH 37 and I-94/STH 312 interchanges.
- Assistance to the City of Eau Claire in the grade separation of the rail crossing on Galloway and other potential crossing closure impacts.
- Assistance to communities on bicycle/pedestrian plans and related planning activities.
- Encouragement and assistance on CIPs.
- Execute the annual (or biennial) intersection crash rate analysis.
- Develop criteria for locating painted crosswalks.
- Work with municipalities to do demonstration/pop-up projects for traffic calming and/or pedestrian safety.
- Identify locations in need of bicycle parking, review and suggest changes to bike parking in zoning ordinances, devise a bike parking request program, as requested by municipalities.
- Assist WisDOT in potential planning efforts, such as Transportation Demand Management (TDM).

Schedule:

All of the identified short-range planning activities will be conducted between January and December of 2024, as requested by member communities, unless otherwise noted.

Products:

Listed studies would produce written reports as appropriate to the project. Other products are dependent on technical assistance requests. Staff continues to develop innovative additions to projects and find ways to encourage and educate the public on transportation issues and opportunities in the MPA.

Funding Source:

| | Total Cost | Federal FHWA (80%) | State WisDOT (4.26%) | Local WCWRPC (15.74%) |
|--------------------------|------------|--------------------------|----------------------------|-----------------------------|
| Work Category | | | | |
| 100 Short Range Planning | \$204,828 | \$163,863 | \$8,717 | \$32,248 |

ELEMENT 200 – Long-Range Transportation Planning

Objective:

To continue the tracking and analysis of data and information relevant to the socio-economic conditions of the metropolitan planning area, its land use patterns and development trends, and the operational characteristics of the transportation system as needed for the maintenance of the Long Range Transportation Plan. Work will also include the refining and further study of specific modes, locations, or factors, as noted in the Plan.

2023 Activities:

The most current Long Range Transportation Plan was completed in 2021. The Plan extends to the year 2045 planning horizon. The following planning activities that were undertaken in 2023 included:

- Maintained public involvement through MPO Council meetings, TAC meetings, website postings, and media news releases.

Chippewa-Eau Claire MPO

Urban Work Program

- Participated in West Central Wisconsin Rail Coalition and Chippewa/St. Croix Rail Commission at monthly meetings and other meetings related to the Coalitions' mission.
- Reviewed Plan for projects moving forward for further study, and for compliance of TIP projects.
- Monitored Plan through annual updates of performance indicators.
- Reviewed and acted upon performance target requirements for the Safety, Pavement and Bridge, and Transit Asset Management targets.
- Started working on the adjusted Urban Area Boundary.
- Continued updating and new Capital Improvement Plan Story Maps for Eau Claire and Chippewa counties and municipalities (Chippewa Falls and Lake Hallie) in the MPA.
- Completed a story map that shows where all funds are distributed from funding programs that the MPO scores and awards.
- Facilitated public hearing for City of Eau Claire SSA Boundary Amendment.
- Completed water main age story map for MPA.
- Initiated and held a meeting with the cities of Chippewa Falls and Eau Claire and the Village of Lake Hallie regarding expanding transit connections in the MPA. Started an exploratory committee to discuss opportunities and challenges to expanded transit connections in the MPA.

Relationship to Other Activities:

All of the urban area planning activities strengthen the base of information needed to maintain the Long Range Transportation Plan. The monitoring of development patterns impacts all transportation-related planning activities and their effects on the environment and environmental justice concerns. The various planning activities conducted toward this end also contribute to the identification of projects and services that may become eligible for federal and state funding assistance through programming in the TIP. At the local level, the results of local planning initiatives facilitate improved decision-making on local capital improvement priorities. Also, the setting and monitoring of performance measures and targets link to short term changes in the system.

WCWRPC adopted a regional comprehensive plan in 2009. Should this plan be updated, products developed through the comprehensive planning process, particularly the land use and transportation elements, and those developed for the Long Range Transportation Plan are coordinated, as much as possible, in order to yield consistent analysis and recommendations. Coordination is also intended between the Long Range Transportation Plan and comprehensive plans of urban communities.

2024 Activities:

Long-range planning activities for 2024 will include:

- Implement Long Range Transportation Plan for 2045, including but not limited to those recommendations for further study included in the Plan.
- Continue to implement performance indicators to monitor and track transportation and land use impacts and planning assumptions associated with project, policy, and study recommendations adopted and approved in the Plan.
- Continue updating and new Capital Improvement Plan Story Maps in the MPA.
- Continue to work with WisDOT on development and tracking of performance targets.
- Coordinate with and affirm statewide performance targets developed by WisDOT. In an effort to assist in meeting statewide targets, planning efforts will address potential effects related to the established targets.

Chippewa-Eau Claire MPO Urban Work Program

- Work with WisDOT in statewide transportation planning efforts including Connect 2050, Wisconsin Rail Plan 2050, and Active Transportation Plan 2050.
- Work with WisDOT on development and approval of Urban Area Boundary adjustments and Metropolitan Planning Area boundaries.
- Update relevant elements of the West Central Wisconsin Regional Comprehensive Plan.
- Work with WisDOT on development and approval of Urban Area Boundary adjustments and MPA boundaries.
- Continue facilitation of discussion on transit connections in the MPA.

Schedule:

All of the identified long-range planning activities will be conducted between January and December of 2024, unless otherwise noted.

Products:

Report documents will be produced as appropriate for those items addressed as needing further study in the most recently adopted Long-Range Transportation Plan.

Funding Source:

| | Total Cost | Federal FHWA (80%) | State WisDOT (4.26%) | Local WCWRPC (15.74%) |
|--|------------|--------------------------|----------------------------|-----------------------------|
| Work Category | | | | |
| 200 Long Range Transportation Planning | \$43,892 | \$35,113 | \$1,868 | \$6,910 |

ELEMENT 300 – Transportation Improvement Program (TIP)

Objective:

To maintain a five-year Transportation Improvement Program (TIP) that details the schedule for improvements to the highway, transit, bicycle, and pedestrian facilities within the Chippewa-Eau Claire Metropolitan Planning Area. This includes any 2022-2026 TIP amendments that require attention in 2023. TIPs were developed annually from 1982 to 2010. In 2011, the MPO started a biennial cycle for TIP development, and revised the process for ranking candidate projects for inclusion in the annual TIP document, to address multi-modal factors, to favor projects of greater importance to the urbanized area, and to provide a more objective project selection. The MPO TAC develops a draft TIP during the third quarter of each odd-numbered year. The MPO Policy Council reviews and adopts the TIP in early October of odd years and submits it to WisDOT for incorporation in the STIP by October 15th. Amendments to the TIP are frequent and address changes in the WisDOT project schedule, and to meet the needs of grant programs. The 2022-2026 TIP was developed and adopted in 2021.

2023 Activities:

- Six amendments in the current TIP. This included additions, deletions, and alterations to the document.
- Updated the TIP, which included 2024-2028 projects.

Relationship to Other Activities:

Preparation of the TIP is the primary means by which the MPO's Long Range Transportation Plan is imple-

Chippewa-Eau Claire MPO Urban Work Program

mented. It helps ensure that Federal and State investments in the local transportation system are directly tied to metropolitan planning activities and policies. Also, with the intent of supporting the State-adopted performance targets, the STBG-Urban project selection criteria include elements to promote the preservation of the existing system, and to reward candidate projects that will improve safety at intersections or on corridors with a history of crashes, as well as projects that serve multiple modes of transportation.

2024 Activities:

TIP Activities for 2024 will include:

- Amendments to the 2024-2028 TIP will be processed as requested throughout 2024. Major amendments are noticed in the local newspapers and on the WCWRPC website, with an opportunity to request a public hearing. All amendments are reviewed by the TAC and approved by the MPO Policy Council after a 14-day public review period. Approved amendments are then submitted to WisDOT, FHWA, and FTA. WisDOT then includes the amendments in the upcoming STIP amendment.

Schedule:

In odd years, begin biennial update of TIP (June); Complete draft TIP (August). TAC/public reviews TIP (August-September). MPO approves final TIP (October). Submit TIP to WisDOT (by October 15). In odd and even years, amendments are processed and adopted as necessary, with approvals on a quarterly basis to coincide with MPO meetings.

Product:

Products include documentation for any amendments to the 2024-2028 TIP that occur in 2024.

Funding Source:

| | Total Cost | Federal FHWA (80%) | State WisDOT (4.26%) | Local WCWRPC (15.74%) |
|--|------------|--------------------------|----------------------------|-----------------------------|
| Work Category | | | | |
| 300 Transportation Improvement Program | \$14,631 | \$11,704 | \$623 | \$2,303 |

ELEMENT 400 – Transportation Program Administration

Objective:

To provide for the general administration of the MPO’s transportation program and fulfill the reporting, financial accounting, and certification requirements prescribed by FHWA and FTA to maintain federal and state urban transportation funding eligibility. To serve as a conduit to the urban area on state and federal transportation issues and initiatives.

2023 Activities:

The WCWRPC has served as the administrative and fiscal agent for the MPO since its inception in 1982 and continues to provide administrative services. The WCWRPC coordinates urban transportation planning activities with local, State, and Federal agencies, as appropriate. In 2018, MPO staff updated the Cooperative Planning Agreement between WisDOT, the MPO, and the cities of Eau Claire and Chippewa Falls as the urban transit providers in the urbanized area, as needed, to reflect new performance measure/target requirements in

Chippewa-Eau Claire MPO Urban Work Program

the FAST Act. There are four staff members that work at least part-time on transportation related projects. The following administration activities that were undertaken in 2023 included:

- Quarterly financial and work progress reports.
- Quarterly MPO newsletter.
- MPO and TAC meetings.
- Annual work program.
- Annual MPO Summary Report.
- Attended appropriate state, regional, or national conferences/meetings/ workshops to fulfill training needs and remain current on transportation-related issues.
- Attended MPO Director meetings.
- Completed MPO Title VI Plan update.

Relationship to Other Activities.

The administrative services support all transportation program activities and provide accountability for work elements undertaken and financial resources expended.

2024 Activities:

Administration activities for 2024 will include:

- Quarterly financial and work progress reports to document and account for the expenditure of transportation planning funds.
- News releases and newsletter articles, as needed, in support of specific work program activities.
- Quarterly MPO newsletter.
- Schedule and conduct MPO and TAC meetings, maintaining inter-agency coordination, conducting public involvement meetings, administering contracts, developing and maintaining inter-agency agreements, and preparing an annual financial audit and annual certification statement.
- Annual work program.
- Annual MPO Summary Report.
- Staff supervision of planners and interns working on transportation plans and studies.
- Using and monitoring of the MPO's Public Involvement Plan.
- Attend appropriate state, regional, or national conferences/meetings/ workshops to fulfill training needs and remain current on transportation-related issues.
- Participate in quarterly FHWA/MPO/ WisDOT forums to discuss planning, policy, financial, and technical issues and concerns.

Schedule:

Prepare quarterly financial/progress reports (by April 30, July 31, October 31, January 31). Conduct MPO and TAC meetings (quarterly, or as needed). Prepare annual reports/ certifications and conduct annual audit (by December 31). Prepare annual work program (draft by mid-September, final by November 15). Attend quarterly MPO Director meetings. Other administrative functions are on-going with work program activities.

With all above Elements, staff will address specific activities that meet the 2.5 percent Safe and Accessible Transportation Options Set-aside requirements.

ELEMENT 500 – SATO Funding

Objective:

To work on Complete Streets/Safe and Accessible Transportation Options (SATO) projects. These include public transportation in the development and implementation of Complete Streets policies that require or encourage a safe, comfortable, integrated transportation network for all users, regardless of age, ability, income, ethnicity, or mode of transportation.

2024 Activities:

SATO activities for 2024 will include:

- Provide assistance, as needed, in ongoing efforts to re-establish passenger rail service for the urbanized area. Current efforts in this area include work with the West Central Wisconsin Rail Coalition, Chippewa/St. Croix Rail Commission, and other related planning agencies toward establishing a public-private partnership to accomplish this goal. This includes work on transit-oriented development (TOD).
- Increase public transportation, by supporting Eau Claire Transit, specifically working on a passenger survey.
- Work with the regional Safe Routes to School program in the Chippewa Valley, including the cities of Altoona, Eau Claire, and Chippewa Falls.
- Develop a Vision Zero Plan for the MPA

Schedule:

All of the identified activities will be conducted between January and December of 2024.

Metropolitan Planning Factors to be Considered in the 2024 Work Program

Factors:

1. Support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency.
2. Increase the safety of the transportation system for motorized and non-motorized users.
3. Increase the security of the transportation system for motorized and non-motorized users.
4. Increase the accessibility and mobility of people and for freight.
5. Protect and enhance the environment, promote energy conservation, improve quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns.
6. Enhance the integration and connectivity of the transportation system, across and between modes, for people and freight.
7. Promote efficient system management and operation.
8. Emphasize the preservation of the existing transportation system.
9. Improve the resiliency and reliability of the transportation system and reduce or mitigate stormwater impacts of surface transportation; and
10. Enhance travel and tourism.

MPO Certification Summary

The Chippewa-Eau Claire Metropolitan Planning Organization (MPO) Council, as the policy board of the MPO, is charged with implementing the metropolitan planning process in accordance with applicable requirements of federal transportation legislation, the Civil Rights Act, and the Americans with Disabilities Act. All agencies involved in the transportation planning process must also be held accountable to these federal requirements. (Compliance with the Clean Air Act is not required as the Eau Claire urbanized area is not an air quality non-attainment or maintenance area.)

By federal law, agencies providing transportation services and/or receiving federal money must categorically adhere to the requirements as listed in the MPO's adoption/self-certification resolution.

With the approval of the Self-Certification, the MPO Council is certifying that regulations and policies of the MPO as a sub-recipient of federal aid are in compliance with applicable federal and state employment opportunity laws and guidelines, affirmative action goals, equal employment opportunity requirements, employment practices, procurement activities, and transportation services. The Transportation Planning Work Program includes documentation that, as an agency and in partnership with its members, the MPO Council adheres to the applicable requirements of federal transportation legislation.

The 10 requirements for self-certification are summarized below.

1) 23 U.S.C. 134 and 49 U.S.C. 5303, and this subpart. These citations summarize the metropolitan planning requirements. Under these requirements, the MPO must currently have an approved Transportation Improvement Program, Long-range Transportation Plan, Transportation Planning Work Program, and Public Participation Plan. The MPO is also required to have interagency agreements, approved metropolitan area boundaries, and annual listings of obligated projects.

Chippewa-Eau Claire MPO Compliance: The MPO complies with this requirement because it currently has an approved TIP, Long range Transportation Plan, Transportation Planning Work Program, and Public Participation Plan. The MPO also has all of its required agreements, approved boundaries, and listings of obligated projects.

2) Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000d-1) and 49 CFR part 21. Title VI prohibits exclusion from participation in, denial of benefits of, and discrimination under federally assisted programs on the grounds of race, color, or national origin.

Chippewa-Eau Claire MPO Compliance: The MPO complies with this requirement through the policies identified in the Chippewa-Eau Claire Metropolitan Planning Organization (MPO) Title VI Plan/Limited English Proficiency Plan/Public Participation Plan. The MPO also follows the West Central Wisconsin Regional Planning Commission (WCWRPC) non-discrimination policy as the MPO is housed within the RPC.

Chippewa-Eau Claire MPO

Urban Work Program

3) 49 U.S.C. 5332, prohibiting discrimination on the basis of race, color, creed, national origin, sex, or age in employment or business opportunity.

Chippewa-Eau Claire MPO Compliance: The MPO complies with this requirement through the policies identified in the Chippewa-Eau Claire Metropolitan Planning Organization (MPO) Title VI Plan/Limited English Proficiency Plan/Public Participation Plan. The MPO also follows the WCWRPC non-discrimination policy as the MPO is housed within the RPC.

4) Sections 1101(b) of the FAST Act (Pub. L. 114-357) and 49 CFR Part 26 regarding the involvement of disadvantaged business enterprises in the US DOT funded projects.

Chippewa-Eau Claire MPO Compliance: The MPO does not typically utilize outside contractors in the execution of planning projects. However, if the situation should arise, the MPO will establish and follow a DBE policy.

5) 23 CFR part 230, regarding the implementation of an equal employment opportunity program on Federal and Federal-aid highway construction contracts.

Chippewa-Eau Claire MPO Compliance: This requirement does not directly apply to the Chippewa-Eau Claire MPO because it is not involved in federal or federal-aid highway construction contracts. However, the MPO follows the West Central Wisconsin Regional Planning Commission (WCWRPC) Equal Opportunity Policy in other employment-related actions, including hiring.

6) The provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) and 49 CFR Parts 27, 37, and 38. Programs and activities funded with federal dollars are prohibited from discriminatory practices based on disability.

Chippewa-Eau Claire MPO Compliance: The MPO complies with this requirement through the policies identified in the Chippewa-Eau Claire Metropolitan Planning Organization (MPO) Title VI Plan/Limited English Proficiency Plan/Public Participation Plan. The MPO also follows the WCWRPC non-discrimination policy as the MPO is housed within the RPC.

7) The Older Americans Act, as amended (42 U.S.C 6101), prohibiting discrimination on the basis of age in programs or activities receiving Federal financial assistance.

Chippewa-Eau Claire MPO Compliance: The MPO complies with this requirement through the policies identified in the Chippewa-Eau Claire Metropolitan Planning Organization (MPO) Title VI Plan/Limited English Proficiency Plan/Public Participation Plan. The MPO also follows the WCWRPC non-discrimination policy as the MPO is housed within the RPC.

8) Section 324 of title 23, U.S.C, regarding the prohibition of discrimination based on gender.

Chippewa-Eau Claire MPO Compliance: The MPO complies with this requirement through the policies identified in the Chippewa-Eau Claire Metropolitan Planning Organization (MPO) Title VI Plan/Limited English Proficiency Plan/Public Participation Plan. The MPO also follows the WCWRPC non-discrimination policy as the MPO is housed within the RPC.

9) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and 49 CFR 27 regarding discrimination against individuals with disabilities.

Chippewa-Eau Claire MPO Compliance: The MPO complies with this requirement through the policies identified

Chippewa-Eau Claire MPO Urban Work Program

in the Chippewa-Eau Claire Metropolitan Planning Organization (MPO) Title VI Plan/Limited English Proficiency Plan/Public Participation Plan. The MPO also follows the WCWRPC non-discrimination policy as the MPO is housed within the RPC.

10) Section 225 of 2 CFR Cost Principles for State, Local, and Indian Tribal Governments, establishing principles and standards for determining costs for Federal awards carried out through grants, cost reimbursement contracts, and other agreements with governmental units.

Chippewa-Eau Claire MPO Compliance: The MPO complies with this requirement through the adoption of a WisDOT and FHWA reviewed and approved annual work program, utilizing estimated work hours, and fringe and indirect rates that are computed annually for the entire WCWRPC and applied to the MPO work program. The MPO submits quarterly progress reports and reimbursement requests to WisDOT for review and payment of State and Federal shares, as they appear in the adopted work program, for allowable expenses. WCWRPC, as the host agency of the MPO, utilizes generally accepted accounting practices and contracts for annual financial audits.

Exhibit G Title VI Implementation Agreement

FHWA SUBRECIPIENT TITLE VI IMPLEMENTATION PLAN AGREEMENT FFY 2022

Introduction

All recipients of federal funds must comply with Title VI of the Civil Rights Act of 1964 and other Nondiscrimination statutes that afford legal protections. The Wisconsin Department of Transportation (WisDOT) is a recipient of Federal Highway Administration (FHWA) financial assistance and committed to ensuring nondiscrimination in all WisDOT programs and activities as demonstrated in our signed assurances and Title VI Implementation Plan. Because WisDOT directly or indirectly extends FHWA funds to you, your organization is an FHWA Subrecipient that is required to provide the same Title VI commitment, assurances and plan.

WisDOT is responsible for annual monitoring and reporting of the activities of its FHWA Subrecipients to verify compliance with Title VI of the Civil Rights Act of 1964 and other nondiscrimination statutes and regulations (hereinafter termed "Acts and Regulations") and for validating continued eligibility for FHWA financial assistance. The contents of this **TITLE VI ASSURANCES and IMPLEMENTATION PLAN AGREEMENT FFY 2022** (hereinafter "**2022 ASSURANCES AND AGREEMENT**") are the framework that assures organizational awareness, an implementation plan, and effectuating compliance with the Acts and Regulations.

- The first Section entitled **Part 1: Title VI Assurances** is consistent with US Department of Transportation Order Number 1050.2A, *Standard Title VI/Non-Discrimination Assurances*.

- The **Part 1: Title VI Assurances** are due to be completed, signed and returned to the WisDOT Title VI Office by:

September 30, 2021

- The second Section entitled **Part 2: Title VI Implementation Plan Agreement** outlines your organization's Title VI activities, data collection, and reporting; the signed agreement serves as your organization's submission of a Title VI Implementation Plan.

The following pages of this document contain only the **Part 2: Title VI Implementation Plan Agreement** and must be signed by the highest responsible official in the Subrecipient's organization, typically the Executive Director by:

September 30, 2021

- A signed copy of this **Part 2: Title VI Implementation Plan Agreement** is a binding legal agreement between WisDOT and the Subrecipient organization.

Note that signature and submission of the attached documents are only applicable to FHWA Title VI compliance. If your organization is subject to Title VI compliance requirements for other USDOT operating administrations or other federal fund recipients (such as the Federal Transit Administration), you are encouraged to review the requirements of each entity to ensure active implementation and assure compliance with appropriate, separate submissions.

INSTRUCTIONS for the Part 2: Title VI Implementation Plan Agreement

1. Fill-in all blanks with the appropriate information (search for the word "Click" to find all blanks).
2. The **Part 2: Title VI Implementation Plan Agreement** must be signed on Page No. 13, by the Executive Director or the highest responsible official in your agency/organization.
3. Promptly submit the completed, signed and scanned **Part 2: Title VI Implementation Plan Agreement** to the Wisconsin Department of Transportation, Title VI Office at: taqwanya.smith@dot.wi.gov.

If you need assistance, please contact Taqwanya Smith by email taqwanya.smith@dot.wi.gov or phone at (608) 266-8129.

Title VI Policy Statement

The Chippewa-Eau Claire MPO, a WisDOT Subrecipient of FHWA funds, (hereinafter referred to as the "Subrecipient") assures that no person shall, on the grounds of race, color, national origin or sex as provided by Title VI of the Civil Rights Act of 1964, Section 162 (a) of the Federal Aid Highway Act of 1973 (23 U.S.C. 324), and the Civil Rights Restoration Act of 1987 (P.L. 100-259) be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity. The Subrecipient further assures every effort will be made to ensure nondiscrimination in all of its programs and activities whether those programs and activities are federally-funded or not.

In other words, this organization has implemented procedures, policies and actions to ensure nondiscrimination in all of its programs and activities; and offers the signature of its highest official as a reasonable guarantee of compliance with all nondiscrimination laws and requirements.

Authorities

The above Title VI Policy Statement and the following Part 2: Title VI Implementation Plan Agreement is based on a range of federal Acts and Regulations [see 23 CFR 200.5(p)]. References to Title VI requirements and regulations are not solely limited to Title VI of the Civil Rights Act of 1964. Where appropriate, "Title VI requirements" also refer to the civil rights provisions of other federal statutes and related implementation regulations to the extent that they prohibit discrimination on the grounds of race, color, national origin or sex in all its programs, activities and operations receiving federal financial assistance. The Title VI authorities (hereinafter referred to as "Acts and Regulations") are:

Nondiscrimination Acts

- **Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) provides:** No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.
- **Section 162 (a) of the Federal Aid Highway Act of 1973 (23 U.S.C. 324) provides:** No person shall, on the ground of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal assistance under this Title or carried on under this Title.
- **The Civil Rights Restoration Act of 1987 (P.L. 100-209), provides:** Clarification of the original intent of Congress in Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, the Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973. The Act restores the broad, institution-wide scope and coverage of the nondiscrimination statutes to include all programs and activities of Federal-aid recipients, sub-recipients, and contractors/consultants, whether such programs and activities are federally-assisted or not.

Nondiscrimination Regulations

- 23 CFR 200, Title VI Program and Related Statutes-Implementation and Review Procedures
- 49 CFR 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964

Title VI Implementation Plan Agreement

Chippewa-Eau Claire MPO Urban Work Program

Title VI Program Implementation

The following sections represent elements of a "Subrecipient Title VI Implementation Plan", as required by FHWA, to sufficiently document methods used to administer a Title VI Program. Subrecipients of FHWA funds distributed by WisDOT (the recipient) are required to meet requirements of a **Title VI Implementation Plan** as set forth by WisDOT within this **Part 2: Title VI Implementation Plan Agreement**.

This **Part 2: Title VI Implementation Plan Agreement** shall serve as the Chippewa-Eau Claire MPO's required Title VI Implementation Plan pursuant to 23 CFR 200 and 49 CFR 21.

A. Organization and Staffing

In FFY 2022 the Chippewa-Eau Claire MPO should:

1. have a designated SUBRECIPIENT TITLE VI COORDINATOR pursuant to 23 CFR 200, who has a responsible position in the organization and easy access to the head of the Subrecipient organization, and who is responsible for implementing the Subrecipient's Title VI Program. The head of the organization and the SUBRECIPIENT TITLE VI COORDINATOR may be the same individual, however, staffing must be adequate to implement the Title VI Program requirements.
2. provide WisDOT with a copy of the Subrecipient's organizational chart illustrating the level and placement of the Title VI Coordinator relative to the head of the organization upon signing the ***Part 1-Title VI Assurances*** portion of this ***2022 ASSURANCES AND AGREEMENT***.
3. notify WisDOT, in writing, of any changes to the Subrecipient's organizational chart, Subrecipient Title VI Coordinator, or Subrecipient Title VI Coordinator contact information.
4. ensure the SUBRECIPIENT TITLE VI COORDINATOR will be responsible for initiating and monitoring Title VI activities, preparing required reports, and additional activities as appropriate to the Subrecipient's Title VI Program, the Acts and Regulations and this **Part 2: Title VI Implementation Plan Agreement**.

B. Plan and Program Area Review Procedures

In FFY 2022 the Chippewa-Eau Claire MPO should:

1. annually submit to WisDOT, a brief description of your work/ program areas, the Title VI responsibilities in each work/program area, and your specific internal procedures (an Implementation Plan) for conducting work/program area reviews of Title VI compliance within your organization.
2. conduct Title VI reviews of Subrecipient program areas and activities for Title VI impacts. Examples of activities that should be reviewed for Title VI compliance:
 - a) public outreach and inclusion in transportation planning and projects
 - b) planning that recommends possible real estate acquisitions and relocations
 - c) contracts with contractors/consultants stating Title VI requirements
 - d) racial composition of decision-making Boards or Commissions
3. take affirmative action to communicate and correct any identified Title VI deficiencies.
4. annually report the number and results of your internal Title VI compliance reviews to the WisDOT, Title VI Office in your annual ***Title VI Goals and Accomplishments Report*** or within the annual ***WisDOT Title VI/Nondiscrimination Compliance Review for FHWA Subrecipients*** (hereinafter ***WisDOT Subrecipient Title VI Review***).

Chippewa-Eau Claire MPO Urban Work Program

C. Consultant Review Procedures

In FFY 2022 the Chippewa-Eau Claire MPO should:

1. annually submit the process for determining how many and which contractors/consultants will be reviewed each year and your specific procedures for ensuring Title VI compliance within all contractor/consultant entities or organizations hired by, and receiving federal financial aid, from your organization. For example, state how many consultants you will review for specific measures of compliance such as the proper posting of meeting notices in appropriate locations for the project, in appropriate languages, and meetings held in locations and at times when Title VI protected classes are able to attend.
2. advise contractors and consultants to include, where applicable, policies, procedures and directives to comply with Title VI requirements.
3. advise contractors/consultants on procedure or policy changes, where needed, for Title VI compliance as your subrecipient.
4. annually report the number or contractor/consultant Title VI compliance review(s) and the results of the reviews to the WisDOT, Title VI Office in your annual ***Title VI Goals and Accomplishments Report*** or within the annual ***WisDOT Subrecipient Title VI Review***.

D. Data Collection Procedures

Data collection and analysis information may be copied from your *Unified Planning Work Program* and/or your Federal Transit Administration (FTA) *Title VI Plan/LEP Plan* and submitted to the WisDOT Title VI Office as is annually appropriate, for the fulfillment of FHWA Title VI Program compliance.

In FFY 2022 the Chippewa-Eau Claire MPO should:

1. annually submit specific processes and procedures for collecting, analyzing, using and reporting data on Title VI data to the WisDOT Title VI Office.
 - a. report where [what work area(s)] collect data relevant to Title VI, the method, sources and type of data collected, and a description of the purpose for doing an analysis of the data.
 - b. each year, submit the number and names of work areas and data collection processes you will be reviewing in the following year.
2. collect and analyze data on the number and locations of individuals or groups in Title VI protected classes who are or may become impacted by the plans, programs and activities conducted by the Subrecipient based on race, color, national origin, sex, and limited English proficiency.
 - a. collect and analyze data from various sources, for example: the U.S. Census, the American Community Survey and additional local or state resources.
3. collect and analyze data on the number and locations of individuals or groups in Title VI protected classes who are participants in or beneficiaries of, programs and activities conducted by the Subrecipient.
4. collect and analyze data at the appropriate geographic level (such as census tracts, block groups and census blocks) to identify where disproportionate impacts to protected classes could result, whether intentionally or unintentionally, from plans or projects conducted by your organization
5. annually report and present the data collection and analysis performed by your agency/organization and the results and impacts of performing the analysis to the WisDOT, Title VI Office in your annual ***Title VI Goals and Accomplishments Report*** or within the annual ***WisDOT Subrecipient Title VI Review***.

Chippewa-Eau Claire MPO

Urban Work Program

E. Training Procedures

This section is intended to ensure that employees of Subrecipient organizations are receiving sufficient training to be able to understand, identify, and carry out activities for Title VI compliance.

In FFY 2022 the Chippewa-Eau Claire MPO should:

1. annually submit specific internal procedures for choosing and conducting training for staff members, the types of training offered and required of staff (see 2. through 5., below) and the number of training events to be conducted.
2. require employees to complete training programs upon hire and thereafter as needed, on Title VI and related statutes, regulations and procedures or additional nondiscrimination topics, as needed.
3. provide all employees of your organization with training in the proper procedures and handling of Title VI and other nondiscrimination complaints.
4. provide employees working with the public and within relevant business areas with training in the proper procedures for providing services, outreach, inclusion, and the removal of obstacles in participation by individuals and groups with limited English proficiency.
5. provide Title VI data collection and analysis training to employees to ensure effective implementation of the Data Collection Procedures.
6. annually submit training documentation to WisDOT, including the name and type of training events offered and obtained, dates employees participated, titles of employees who participated, and the total number of employees who participated in each training to the WisDOT Title VI Office in your annual *Title VI Goals and Accomplishments Report* or within the annual *WisDOT Subrecipient Title VI Review*.

F. Dissemination of Title VI Information

The Chippewa-Eau Claire MPO should:

1. annually submit specific internal procedures for dissemination of Title VI Information and for community outreach and public education, and for the review and documentation of this activity.
2. issue and distribute throughout your organization and to the public, a Title VI Policy Statement, signed by the head of the Subrecipient organization, which expresses its commitment to the nondiscrimination provisions of the Title VI Acts and Regulations.
3. issue and distribute throughout your organization and to the public, a Title VI Complaint Policy containing information and instructions on filing a Title VI complaint.
4. post and publish or provide links to your Title VI Policy Statement and your Title VI Complaint Policy, in appropriate languages based on the presence of, or potential impacts on, populations with limited English proficiency in the following locations:
 - a) throughout your organization
 - b) location(s) where your organization's business is conducted
 - c) on your website and social media sites
 - d) in meeting announcements in the newspaper and on posters
 - e) posted at public meeting locations
5. annually submit a copy of your organization's Title VI Policy Statement to the WisDOT Title VI Office, with documentation on where the policy was distributed, the intended audience, and in what languages it was provided (refer to p. 3, section "Title VI Policy Statement").

Chippewa-Eau Claire MPO Urban Work Program

6. annually submit the number, type and location of outreach and public education events or literature to the WisDOT Title VI Office within your annual *Title VI Goals and Accomplishments Report* or within the annual *WisDOT Subrecipient Title VI Review*.

G. Limited English Proficiency Accommodations and Procedures

National origin discrimination under Title VI includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI, Subrecipients must take reasonable steps to ensure that LEP persons have meaningful access to programs, plans and activities consistent with Executive Order #13166. Subrecipients are encouraged to visit <http://www.lep.gov> for assistance and information regarding LEP obligations.

In FFY 2022, the Chippewa-Eau Claire MPO should:

1. annually submit procedures and guidance for the provision of LEP services and outreach, as well as data collection and analysis procedures.
2. ensure compliance with Title VI by taking reasonable steps to ensure that LEP persons have meaningful access to your programs. Provide documentation on language assistance services provided by your organization, such as, interpretation and translation services.
3. collect data on LEP individuals or groups that may be impacted by your plans or activities.
4. ensure that LEP persons impacted by the Subrecipient organization's policies, plans or activities are provided with adequate information and opportunities for public involvement and input opportunities within their native language.
5. consider the need for language services for LEP persons served or encountered both in developing your budgets and in conducting your programs and activities.
6. annually submit to the WisDOT Title VI Office, documentation showing the number and type of language services provided during the previous fiscal year, and results of data collection and analysis of LEP populations, such as:
 - a) American Community Survey data on Languages spoken at home and ability to speak English or
 - b) maps showing location of LEP persons, as it applies in specific geographic areas that are impacted by your planning and project recommendationswithin your annual *Title VI Goals and Accomplishments Report* or within the annual *WisDOT Subrecipient Title VI Review*.

H. Review of Internal Policies and Directives

The Chippewa-Eau Claire MPO should:

1. annually submit procedures and guidance for review of your organization's policies and internal directives to the WisDOT, Title VI Office.
2. conduct Title VI reviews of your organization's policies, procedures and directives and consider possible unintentional impacts that could impact individuals and groups protected under Title VI.
3. revise policies, procedures and directives to include Title VI requirements and to reduce possible unintentional impacts on individuals and groups protected under Title VI.
4. monitor consultants/contractors for possible impacts of their policies, procedures and directives on Title VI protected classes as it relates to their work performed for you on federally-funded projects or plans. Advise contractors/consultants on changes, where needed, for Title VI compliance as your subrecipient.

Chippewa-Eau Claire MPO Urban Work Program

5. annually submit documentation of your review of internal directives including how many and what directives were reviewed, and the conclusions and improvements made as a result of your reviews to the WisDOT, Title VI Office.
6. Report number and results of reviews of internal directives within the *annual Title VI Goals and Accomplishments Report* or in the annual *WisDOT Subrecipient Title VI Review*.

I. Complaint Policy and Procedures

FHWA requires federal-aid recipients and subrecipients to follow specific procedures for collecting and forwarding complaints alleging discrimination under Title VI. WisDOT also has specific requirements for the handling of, and reporting on, Title VI complaints that are submitted to the Subrecipient. These requirements are provided in the "Complaint Processing Procedures" section below. Subrecipients must submit internal complaint policies and procedures to meet FHWA Title VI compliance.

In FFY 2022, The Chippewa-Eau Claire MPO shall adopt the standard FHWA/WisDOT Title VI compliant policy provided in the following section or must submit proof of an alternative complaint policy that contains all FHWA Title VI/Nondiscrimination requirements (such as an alternative Policy submitted in your FTA Title VI Plan).

Title VI Complaint Policy

Chippewa-Eau Claire MPO adopts the following Title VI complaint policy for FFY 2022 (do not fill in the name of your organization if you will be submitting an alternative Complaint Policy):

Any person who believes that he or she, individually, as a member of any specific class, or in connection with any Disadvantaged Business Enterprise (DBE), has been subjected to discrimination by the above named Subrecipient or contractors/consultants to the Subrecipient, based on race, color, national origin or sex may submit a complaint with the Wisconsin Department of Transportation, Office of Business Opportunity and Equity Compliance (WisDOT, OBOEC) Title VI Office, or with the Federal Highway Administration.*

*See contact information on Page No. 11

In FFY 2022, Chippewa-Eau Claire MPO shall adhere to the following provisions:

1. annually submit your organization's internal complaint policies and procedures, and your process for disposition of Title VI Complaints.
2. ensure that a Title VI complaint form (or other reasonable method of submitting a timely and complete complaint) is readily available to the public at all locations where your organization conducts business.
3. develop or use a standard Title VI complaint form containing directions and submission information.
4. accept complaints written on a complaint form, written free-form or given verbally in person or over the telephone by a Complainant, or by a representative of the Complainant. A complaint may also be submitted in Braille or other reasonable format.
5. accept complaints submitted by U.S. Post, by email, on computer disk, flash drive, audio tape, or through other reasonable methods.
6. Subrecipient must, upon request, accept complaints in alternate formats from persons with disabilities.

Subrecipient Complaint Processing Procedures

In FFY 2022, the Chippewa-Eau Claire MPO shall implement the following Title VI complaint processing procedures:

1. Subrecipient employees must keep detailed records of all interactions with Complainants and potential Complainants throughout the organization.
2. All Title VI/Nondiscrimination complaints received throughout the Subrecipient organization must be immediately forwarded to the SUBRECIPIENT TITLE VI COORDINATOR.
3. Upon receiving a Title VI complaint, the SUBRECIPIENT TITLE VI COORDINATOR shall:
 - a) date stamp the complaint
 - b) log all complaints received by the Subrecipient with:
 - the date the complaint was received
 - the name of the Complainant (if available)
 - the nature of the complaint (if available)
 - the date and location where the complaint was forwarded
 - a record of any action or communication regarding the complaint
 - c) notify the Complainant that their complaint has been received, when and where the complaint has been forwarded, and the appropriate contact information for follow up.
4. The SUBRECIPIENT TITLE VI COORDINATOR shall annually submit a log of all Title VI complaints received, and any additional pertinent records to the WisDOT, Title VI Office.
5. The SUBRECIPIENT TITLE VI COORDINATOR shall advise Complainants, verbally, in writing, or within instructions appearing on a complaint form, that:
 - a) complaints should be in writing
 - b) a complaint typically must be filed within 180 days of the alleged discriminatory act in order for USDOT/FHWA to take action.
6. Additionally, the SUBRECIPIENT TITLE VI COORDINATOR shall advise Complainants verbally, in writing, or within instructions appearing on a complaint form, that Title VI/Nondiscrimination complaints should contain the following information:
 - a) name, address and phone number of the complainant
 - b) the date of alleged act(s) of discrimination or where there has been a continuing course of conduct, the date on which the discriminatory conduct last occurred
 - c) name(s) and address(es) of alleged discriminating party or parties
 - d) the basis of discrimination (race, color, national origin, sex or other)
 - e) a statement of the nature of the complaint
 - f) other agencies where the complaint has been filed
 - g) an explanation of the actions the Complainant recommends to resolve the issue raised in the complaint
 - h) The complaint must be signed by the Complainant or a representative of the complainant.
7. Upon receiving and logging a Title VI complaint, the SUBRECIPIENT TITLE VI COORDINATOR shall immediately forward the complaint, and any additional accompanying documentation or information, to the WisDOT, OBOEC, Title VI Office (see contact information below*).
8. If requested or appropriate, the SUBRECIPIENT TITLE VI COORDINATOR shall inform the Complainant that the:
 - a) the Subrecipient, WisDOT and FHWA Division Offices do not investigate Title VI complaints
 - b) all complaints are routed through the FHWA, Headquarters Office of Civil Rights (FHWA, HCR) for processing

Chippewa-Eau Claire MPO Urban Work Program

- c) FHWA HCR determines whether to accept, dismiss, or transfer the complaint for investigation.
- d) the Complainant, the FHWA Division Office, WisDOT, and the Subrecipient (where applicable) will be notified when a determination has been made accept, dismiss, or transfer the complaint for investigation by the FHWA HCR.

- 9. In the event that a verbal complaint of discrimination is made to an officer or employee of the Subrecipient organization other than the SUBRECIPIENT TITLE VI COORDINATOR, the officer or employee shall immediately refer the Complainant to the SUBRECIPIENT TITLE VI COORDINATOR. The SUBRECIPIENT TITLE VI COORDINATOR will obtain the name and contact information of the Complainant and will inform the Complainant how to submit a complaint, and will provide assistance, if necessary.
- 10. The Subrecipient shall provide Title VI complaint handling training to all employees who might participate in complaint intake, handling, processing, or forwarding (see section E. "Training Procedures" above).
- 11. annually submit a report of the complaint information provided in the log of complaints (see number 3. Above) to the WisDOT, Title VI Office (see contact information above).

J. Compliance and Enforcement Procedures

The Chippewa-Eau Claire MPO should:

- 1. annually complete and submit all information requested within the annual *WisDOT Title VI/Nondiscrimination Compliance Review for FHWA Subrecipients (WisDOT Subrecipient Title VI Review)* to the WisDOT, Title VI Office.
 - a) The *WisDOT Subrecipient Title VI Review* is designed to provide a framework for Subrecipients to submit all information required by FHWA and as provided in this **2022 ASSURANCES AND AGREEMENT**.
- 2. submit an outline of compliance and enforcement procedures to address deficiencies or noncompliance within your internal program areas and with contractors/consultants to the WisDOT, Title VI Office. Include a

Chippewa-Eau Claire MPO Urban Work Program

procedure for reviewing your organizational policies and directives, and how your policies and directives may intentionally or unintentionally impact Title VI protected classes.

3. take affirmative action to correct any deficiencies found by WisDOT or the United States Department of Transportation (USDOT) within a reasonable time period, not to exceed 90 days, in order to implement Title VI compliance in accordance with this **2022 ASSURANCES AND AGREEMENT** and the Acts and Regulations. The head of the Subrecipient shall be held responsible for implementing Title VI requirements.
4. develop and submit methods of administration, as required in A. through I. above, to fulfill the FHWA requirements of a *Title VI Implementation Plan*.
5. Annually submit additional information, as required by this **2022 ASSURANCES AND AGREEMENT** by submitting information that meets the following requirements of a *Title VI Goals and Accomplishments Report* or within the *WisDOT Subrecipient Title VI Review*.

a) **Accomplishments Report**

List major accomplishments made regarding Title VI activities to include:

- the number and types of Title VI issues that were identified and actions taken to prevent discrimination.
- activities and efforts that the SUBRECIPIENT TITLE VI COORDINATOR and program area personnel have undertaken in the previous FFY to monitor Title VI Program implementation (refer to Sections A. through I. above)
- a description of the scope and conclusions of special reviews (internal or external) conducted by the SUBRECIPIENT TITLE VI COORDINATOR
- a log of the number and type of complaints received by the Subrecipient (see Section I. above)
- Include a summary and status report on any Title VI complaints filed with the Sub-Recipient.

b) **Annual Goals**

Outline Title VI monitoring and review activities planned for the coming year; state by whom each activity will be accomplished, the purpose of the activity, and target date for completion.

Sanctions

In the event the Chippewa-Eau Claire MPO fails or refuses to comply with the terms of this **TITLE VI ASSURANCES and IMPLEMENTATION PLAN AGREEMENT FFY 2022**, WisDOT may take any or all of the following actions:

1. Cancel, terminate, or suspend this agreement in whole or in part;
2. refrain from extending any further assistance to the Subrecipient under the program from which the failure or refusal occurred, or any other program, until sufficient evidence of past correction of noncompliance and/or satisfactory assurance of future compliance has been received from the Subrecipient.
3. take such other action that may be deemed appropriate under the circumstances, until compliance or remedial action has been accomplished by the Subrecipient.
4. refer the case to the U.S. Department of Justice for appropriate legal proceedings.

Exhibit H 2022-2023 Progress Report Title VI - Environmental Justice

To address the requirements of Title VI from September, 2022 through August, 2023, the Chippewa-Eau Claire MPO conducted the following activities:

- Conducted scheduled TAC and MPO Policy Committee meetings that were open for public involvement.
- Used local media and website to inform the general public of meetings.
- Safe Routes To School Plan work was completed for the Altoona, Chippewa Falls, and Eau Claire school districts. The planning process gathered input from students, parents, staff, and other stakeholders.
- Advertised and offered input and comment opportunities for amendments to the 2022-2026 Transportation Improvement Program (TIP).
- Worked on a variety of local plans and reports. These plans and reports included public participation which include walk/bike audits, surveys, working groups, and/or discussion with stakeholders.
- Staff previously completed the 2020-2045 Long Range Transportation Plan. This included public participation opportunities to review and comment on the draft plan and at the public hearing meeting. Staff continues to review this document for opportunities of implementation.

There have been no Title VI complaints filed with the Sub-Recipient (WCWRPC) during this time period.
